

Contratto di replica / Contract of replication

This contract establishes a production relationship, based on the rules stated below, between the contractors Tobias Eder, the Gallery Marek Krlewski, LEPETITMASCULIN, the industry (represented by Prusa i3 printer) and the client (representing the public).

- * The desired quantity of »Mitra« figurines will be produced for the client through the FDM 3D printing process using PLA material. The figurines will be varnished using golden shaded acrylic paint finish.
- * A wall mount pedestal will be produced using the FDM 3D printing process for every »Mitra« figurine.
- * Every »Mitra« figurine will be individually numbered and signed by Tobias Eder.
- * Every produced figurine will be positioned within the exhibition by the client and remains in the gallery until the exhibition opening on March 5th 2017.
- * The figurine will be transferred to the client after termination of the exhibition.
- * The process of production begins with receipt of payment.
- * The »Mitra« figurines will exclusively be produced during the exhibition from January 28th to March 4th 2017. The number of produced figurines within the project itself is limited only through the number of signed contracts.
